

# PRODUCT INFORMATION

## S10 Walk Behind Floor Sweeper 860mm

**Product Code: 008350**

Tackle tough industrial cleaning tasks with this heavy-duty walk-behind sweeper. Its large hopper extends cleaning time, capturing particles as small as 3 microns, safeguarding both facilities and employees from harmful dust.

### Features & Benefits:

- Easily sweep in congested spaces and open areas.
- Create a cleaner, safer environment with exceptional dust control.
- Maximise machine life with durable construction and less maintenance.
- Ensure maximum operator comfort and easy manoeuvrability with an ergonomic handle and fully variable forward and reverse functions.
- Support HSE silica dust exposure control planning with new dust suppression and HEPA filtration options.

### Specification:

Make	Tennant
Model	S10
Height	1070 mm
Width	920 mm
Length	1600 mm
Weight	272 kg

Sunbelt Rentals Flooring Solutions stock a wide range of cleaning chemicals and solutions to support every requirement.
