

## M17 Ride On Sweeper-Scrubber

Product Code: 008375

Innovative ride-on sweeper-scrubber delivering highperformance cleaning in a single pass. Customisable sweeping systems handle varying debris sizes. Features rear-view camera, intuitive touchscreen, and Touch-n-Go™ control panel for effortless operation and quick learning.

### Features & Benefits:

- Choose between two sweeping system options: Dual Force Sweeping (DFS™) for larger, heavier debris and pallet chips less than 6" long or Direct
- Throw for longer pallet chips up to 22" and finer debris like dust and sand.
- The optional pressure washer delivers a 2500 psi spray to clean tough soils while the optional live wand quickly picks up miscellaneous lightweight debris like shrink wrap.
- Leverage existing fuel cell infrastructure with a fuel cell ready M17 sweeper-scrubber.
- Transform cleaning operations with optional Pro-Panel™ technology, which integrates multiple cleaning settings and on-demand videos into an intuitive, highly visible touchscreen.
- Increase productivity and ease of use with the Touch-n-Go™ control panel featuring 1-Step™ start button that remembers previous settings.

### Specification:

Make	Tennant
Model	M17
Height	1480mm
Width	1370mm
Length	2850mm
Weight	2475kg
