

Escalator Cleaner

Product Code: 008390

The X51 Escalator Cleaner designed for commercial use. Ideal for retail stores, supermarkets, shopping centres, airports, and train stations, it combines spray extraction and agitation to clean, scrub, and dry in one go. Its unique swivel head ensures thorough cleaning from edge to edge, making it perfect for maintaining escalators in high-traffic areas.

Features & Benefits:

- The X51 is a mains-powered wet and dry escalator cleaner designed for everyday use in various commercial environments
- Ideal for large retail stores, supermarkets, shopping centres, airports, and train stations
- Combines spray extraction and agitation to clean, scrub, and dry simultaneously
- Features a unique swivel head that cleans the entire conveyor edge to edge
