

DOLCECLIMA/ PIU' CUBE AIR CONDITIONER

The DolceClima/ PIU' Cube is the top of the range PIU' air conditioning unit from Olimpia Splendid, providing high powered, efficient cooling suitable for areas up to 110M3 and delivering up to 400m3/h of cool fresh air.

Cool air is directed towards the upper area of the room instead of directly toward occupants and desks spaces; removing distracting direct air flows and the annoyance of paperwork being blown away.

With a cooling capacity of 3.50kW, this portable air conditioner is perfect for cooling areas up to 110M3, such as large office space and classrooms. With 3 fan settings the cool clean air can be distributed to your preferred comfort levels.

The elegant and stylish aesthetics allow the DolceClima/ PIU' Cube to blend in with both domestic and commercial furnishings. Weighing 30kg with fitted castors, the DolceClima/ PIU' Cube can be moved or re-positioned around the home or office safely and effortlessly. An LCD remote control is supplied as standard; allowing you to control the room's climate without leaving your chair.

As an additional function the DolceClima/ PIU' Cube incorporates a 26.4L/24h dehumidification function, removing unwanted odours, bacteria and viruses that can be found in everyday environments.

Area Coverage M3	110
Cooling Capacity (kW)	3.50
Power Input (W)	1090
EER at 350C	2.60
Energy Efficiency Class	A
Power Supply (V / Hz)	220-240 / 50
Dehumidification Capacity (L/24h)	26.4
Min - Max Air Flow (m3/h)	255-400
Fan Speeds	3
Exhaust Hose - L / D (mm)	1500 / 120
Unit Dimensions - WxHxD (cm)	46 X 76.7 X 39.5
Unit Weight (Kg)	30
Noise Level 1M (dB) Min - Max	41 - 49
Refrigerant Gas	R410A
Compressor Type	Rotary
