

## PUI' ECO 10 AIR CONDITIONER

The PUI' Eco 10 is an extremely quiet and environmentally friendly portable air conditioning unit. It's newly designed fan provides increased air distribution with minimal noise. It's the ideal solution for the home, office or classroom.

With a maximum cooling capacity of 10,000 BTU/h or 2.5kW, this portable air conditioner is perfect for cooling areas up to 60.55m<sup>3</sup>, such as the home, office or classroom. With 3 fan settings the cool clean air can be distributed to your preferred comfort levels.

The elegant and stylish aesthetics allow the PUI' Eco 10 to blend in with both domestic and commercial furnishings, and weighing only 39kg with fitted castors, the PUI' Eco 10 can be moved or re-positioned around the home or office safely and effortlessly.

An LCD remote control is supplied as standard for convenience, allowing you to control the room's climate without leaving your chair.

As an additional function the PUI' Eco 10 incorporates a 24.0 L/24h dehumidification function, removing

unwanted odours, bacteria and viruses that can be found in everyday environments.

Max Cooling Capacity (BTU/h)	10,000
Cooling Capacity (kW)	2.5
Power Input (W)	830
Max Room Volume (m <sup>3</sup> )	60.55
Annual Energy Consumption (kW/h)	415
EER at 27°C	3.01
Energy Efficiency Class	A
Power Supply (V / Hz)	220-240 / 50
Dehumidification Capacity (L/24h)	24.0
Min - Max Air Flow (m <sup>3</sup> /h)	255 - 400
Fan Speeds	3
Exhaust Hose - L / D (mm)	1500 / 120
Unit Dimensions - WxHxD (cm)	46 x 76 x 39.5
Unit Weight (Kg)	39
Noise Level (dB)	41 - 48
Refrigerant Gas	R410A
