

PRODUCT INFORMATION

Walk-Behind 550 Adjustable Handle Floor Scraper

Product Code: 031126

The 550 is ideal for residential work and tight, confined spaces on commercial jobs.

The accelerated RPM orbital action delivers an efficient and operator-friendly machine. With decibel ratings under industry and safety standards. This machine is a MUST-HAVE.

Features & Benefits:

- Easily condensed for transport in any size vehicle
- Extends life cycle of machine while reducing maintenance costs
- 1 HP motor with industrial-grade shaft has powerful torque for removing tough applications
- Orbital cutting action rotates the blade to cut through a range of materials over various substrates
- Adjustable height and removable handle
- Angle-adjustment of the wheel changes the pitch of the blade in seconds
- Removable front weight provides additional down pressure and facilitates easy loading and unloading
- Kick plate/foot bar provides additional leverage to glide through material and reduce back stress

Specification:

Make	National Flooring Equipment
Model	550 W/B
Height	1080mm
Width	450mm
Length	830mm
Weight	55.8kg
RPM	1425
Speed	Manual
Power Supply	Electric
Noise Level	73dB(A)
Voltage	110v

Sunbelt Rentals Flooring Solutions stock a wide range of cleaning chemicals and solutions to support every requirement.
