

MAXI COBRA RODDING SYSTEM

Continuous Pipe and Duct Rodding Systems.

The 'Maxi Cobra' rodding system gives a compact and labour saving solution whether installing cables in ducts, threading draw ropes through pipes or surveying drains with CCTV cameras.

- Rugged - Robust, zinc plated steel frames
- Reliable - Highest quality, fibreglass rod radially reinforced construction available in a choice of two diameters
- Cost-effective - Faster and more economic than screw together drain rods

ROD

Highest quality 9mm or 11mm coated reinforced fibreglass rod

FITTINGS

Brass end fittings with smooth profile aluminium guiding tip

FRAME

Rugged steel construction, Zinc plated

DIMENSIONS

1200mm high x 1000mm width x 500mm depth
